Ed Scott began the discussion by that the goal was to create a Slate for presentation to the full Council at the June Annual Meeting. Ed Scott asked Shannon Holland to review the materials provided. She noted that there is one other open private sector seat that the Bylaws stipulate to be filled by an appointment by the Central Virginia Partnership Board.

The following Slate was drafted:

## GO VIRGINIA REGIONAL COUNCIL 9 PRIVATE SECTOR SERVICE

*Thank you for your interest in serving on the Go Virginia Region 9 Council. This document should give you a general idea of the role. In order to meet our goals, individuals with expertise in the Project Frameworks and Target Industries listed below are highly desirable as are those that represent diversity and minority communities. Please contact us if you have any questions.*

### **What is GO Virginia?**

The Virginia Initiative for Growth & Opportunity in each Region, referred to as GO Virginia, is an initiative to help generate private-sector growth and high paying job opportunities in all regions of the Commonwealth. GO Virginia is based on three principles: 1) the state needs strong private sector growth and job creation; 2) effective collaboration among business, government, and higher education is essential to grow and diversify the state's economy; and 3) state government must provide incentives for strategic job-focused collaboration in each region.

### **How is GO Virginia funded?**

The General Assembly initially allocated \$35.95 million for GO Virginia funding, including \$30 M in FY 2018 for project funding. GO Virginia funding increased by \$5 million in FY 2019 and \$10 million in FY 2020, for a total of \$29.5 million in FY 2019 and \$34.5 million in FY 2020.

### **What is Regional Council 9?**

At the inception of GO Virginia, nine Regional Councils were established to facilitate projects that would best serve each region. Region 9, also known as the Piedmont Opportunity Corridor, encompasses eleven localities, including the City of Charlottesville and the Counties of Albemarle, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Nelson, Orange, and Rappahannock. The Region 9 footprint matches that of Planning District 9 and 10 and Virginia Career Works – Piedmont Region.

### **What types of projects are eligible for funding?**

Proposed projects must address the opportunities outlined in each region's Growth & Opportunity Plan Update in addition to state GO Virginia priorities. At least two localities must participate in each project. The Region 9 Plan specifies eligible project frameworks for targeted industries, as follows:

#### **Project Frameworks**

- Talent Development
- Innovation/Entrepreneurship
- Growing Existing Businesses
- Site Development

#### **Target Industries**

- Information Technology
- Food & Beverage Manufacturing
- Financial & Business Services
- Light Manufacturing
- Biotechnology

### **What is the Central Virginia Partnership's role with GO Virginia?**

The Central Virginia Partnership for Economic Development (Partnership) serves as the support organization for the GO Virginia Regional Council 9. The Partnership, a not-for-profit public/private partnership, is the regional economic development organization for nine localities including Charlottesville and the Counties of Albemarle, Culpeper, Fluvanna, Greene, Louisa, Madison, Nelson and Orange. For information, visit [www.centralvirginia.org](http://www.centralvirginia.org).
