

## JOIN US!

The **Central Virginia Partnership for Economic Development** and the **GO Virginia Region 9 Council** are pleased to invite you to learn about the results of the **Virginia Economic Development Partnership’s (VEDP)** statewide site characterization assessment.

## VEDP’S STATEWIDE ENHANCED SITE CHARACTERIZATION RESULTS ROLLOUT

VEDP will present findings on the status of prepared business sites in our region, including:

- Why project-ready sites are important for economic development
- What the statewide Enhanced Site Characterization assessment entailed
- How to use the findings to make informed site development investment decisions
