**GO VIRGINIA REGIONAL COUNCIL 9
PRIVATE SECTOR SERVICE**

Thank you for your interest in serving on the GO Virginia Region 9 Council. This document gives a general idea of the role. Individuals with expertise in the Project Frameworks and Target Industries listed below are highly desirable, as are those who represent diversity and minority communities. Please contact us if you have any questions.

What is GO Virginia?

The Virginia Initiative for Growth & Opportunity in each Region, referred to as GO Virginia, aims to help generate private-sector growth and high paying job opportunities in all regions of the Commonwealth. GO Virginia is based on three principles: 1) the state needs strong private sector growth and job creation; 2) effective collaboration among business, government, and higher education is essential to grow and diversify the state’s economy; and 3) state government must provide incentives for strategic job-focused collaboration in each region.

How is GO Virginia funded?

The General Assembly initially allocated \$35.95 million for GO Virginia funding, including \$30 M in FY 2018 for project funding. The GO Virginia program has continued to be funded through the Virginia Biennial Budget.

What is Regional Council 9?

At the inception of GO Virginia, nine Regional Councils were established to facilitate projects that would best serve each region. Region 9, also known as the Piedmont Opportunity Corridor, encompasses eleven localities, including the City of Charlottesville and the Counties of Albemarle, Culpeper, Fauquier, Fluvanna, Greene, Louisa, Madison, Nelson, Orange, and Rappahannock. The Region 9 footprint matches that of Planning District 9 and 10 and Virginia Career Works – Piedmont Region.

What types of projects are eligible for funding?

Proposed projects must address the opportunities outlined in each region’s Growth & Opportunity Plan Update in addition to state GO Virginia priorities. At least two localities must participate in each project. The Region 9 Plan specifies eligible project frameworks for targeted industries, as follows:

Project Frameworks

- Talent Development
- Innovation/Entrepreneurship
- Growing Existing Businesses
- Site Development

Target Industries

- Information Technology
- Food & Beverage Manufacturing
- Financial & Business Services
- Light Manufacturing
- Biotechnology

What is the Central Virginia Partnership’s role with GO Virginia?

The Central Virginia Partnership for Economic Development (Partnership) serves as the support organization for the GO Virginia Regional Council 9. The Partnership, a not-for-profit public/private partnership, is the regional economic development organization for nine localities including Charlottesville and the Counties of Albemarle, Culpeper, Fluvanna, Greene, Louisa, Madison, Nelson and Orange. For information, visit www.centralvirginia.org.

Regional Council 9 Membership - Overview

The Region 9 Council has 23 members with a majority from the private sector. Regional Councils are required to

have a majority of Private Sector Members with at least five years of business leadership experience. Each Council ensures gender and ethnic diversity in its membership.

Council Member Terms

Unless a seat is vacated mid-term, there is a three year term commitment that begins on July 1. Vacancies are filled for the unexpired term.

Time Commitments

In order to impact and serve the entire region, regular meeting attendance and consistent engagement is expected. There are typically five Council Meetings per year at locations throughout the region. State law requires an in-person quorum, so regular attendance is essential to conducting Council business. Meetings are typically scheduled for a two hour duration and occur throughout the regional footprint. Each member also serves on one of the four Region 9 Task Forces: Sites, Talent Development, Growing Existing Business, or Innovation/Entrepreneurship. Each Task Force is responsible for supporting strategy in their frameworks and reviewing related project proposals. Additional service hours may be required if serving on the Nominating or Executive Committees.

COIA

All Council Members are required to register and view an online training session about the Conflict of Interest Act within 30 days of accepting an appointment on the Council. Filing of economic interests is not required for Regional Council members, unless individual members are otherwise required to do so.
